“ Education is the passport to the future, for tomorrow belongs to those who prepare for it today. ”

Malcolm X

From the Correspondent's Desk

Dear Students and Parents,

I wish to welcome you to winning locations. The Pragathi Educational Institutions.

We have been at the forefront of quality education for more than 30 years and take pride in our achievements. Pragathi Institutions have grown from strength to strength under the able and inspirational guidance of Dr. Chukka Ramaiah garu, a freedom fighter and noted educationist. At Pragathi we consider it a social responsibility to shape brilliant careers for our students. Not surprising that the Pragathi Central School at Pragathi Nagar, is commended as one of the leading institutions and top CBSE schools in Hyderabad for its value-based education, excellent infrastructure, expert and qualified faculty.

Pragathi IIT-JEE / NEET Academy, a potential launch pad for sure success in competitive exams, was established in 2022 with four excellent campuses in Hyderabad city. To endorse and reaffirm the trust of parents in our high standards of teaching and commitment to the success of our students, we rededicate ourselves to the cause of quality education.

Our faculty is among the finest in the twin cities, who have proven experience in shaping top rankers. We are dedicated to uncompromising quality in selecting the best teachers, who can successfully steer the path of the students towards their desired career goals. Beyond doubt, at Pragathi, we engage only leading faculty members, with a proven track record.

It is our constant endeavour to ensure that the performance of our students is at its peak and hence we emphasise and give special focus towards inculcating conceptual clarity and original thinking in our students, as it is a priority and a must for solving the questions in competitive examinations like JEE & NEET.
